Watercolor Art Society - Houston

## President's Message

Friends,  
Watercolor Art Society Houston celebrated our 45th International Art Show on March 6, 2022! We were delighted and honored to have a leading watercolorist, Soon Warren, known for her energy, attention to detail, and mastery of the craft to celebrate, review, and jury these amazing works of art.

The selection showcased a wide range of disciplined styles, compositional mastery, and vivid imagery. 397 amazing entries were submitted by a truly global field including Canada, China, Japan, India, Switzerland, and the U.S. These original pieces were on display in our award winning and state of the art gallery as well as in this catalog and on our website. We cannot express how excited we are to share these amazing works with you all. As part of the exclusivity IWE brings to bear for WASH, we are thrilled to announce that four artists have successfully earned Signature Member Status by being selected three times, and two people have earned the most distinguished status of Elite Signature Member, having been selected five times! Compliments to all.

Sincerely,  
Philip Weigardt  
President, Watercolor Art Society Houston

## Soon Y Warren - Juror's Statement

"It was quite an honor for me to be a juror of the 45th International Watermedia Exhibition. There was a much larger number of paintings than I was able to give awards so hats off to all the artists whose paintings demonstrated what watermedia can do when it's combined with artist's creativity and sensitivity. As a juror, I based my decisions on the following aspects: composition, technical proficiency, originality and experimental quality. Among them, award-winning pieces were particularly impressive. They excelled on many points, communicating the artist's intended narrative through their unique expression and mastery of the medium. My sincere thank-you to the Watercolor Art Society of Houston."

-Soon Y Warren, NWS, AWS, SW, TWS, WSA, SWA, Juror

## IWE Director Statement

The Watercolor Art Society – Houston's International Exhibition is known to be the highlight of water media exhibitions each year and this year's exhibition was no exception! We were thrilled with the level of excellence demonstrated by the world-class artists who were selected to participate in this year's show.

This was my first year as the International Exhibition Director but the number one comment I heard the most during this year's reception was that this exhibit was one of the best yet. I am proud to be a part of this, but I didn't do it alone. There were so many volunteers that I couldn't mention all of them here but I would like to highlight a few special contributors for helping to manage part of this process: They were: Diann Zimmerman, our Workshop Coordinator; Carla Gauthier, hanging crew; Alison Hendry, judges comments; Kathleen Church, reception crew; and last but certainly not least, Mike Doan for managing the uncrating/re-crating process. I'd also like to thank Beth Graham for creating the IWE Catalogue this year.

In addition to the dedicated volunteers, our sponsors from business, patrons, and institutions also played a big part in the success of the show. We wish to thank our two corporate sponsors, the ALA Financial Group, LLC and Mastrius. Our merchant sponsors include Art Supply on Almeda, Texas Art Supply, Holbein, Ampersand, Jack Richeson & Co, QOR by Golden, and other private donors.

Congratulations also to our six new Signature Members: Christine Alfery, Bridget DeFlora, Alison Hendry, Lynda Jung, Hiep Nguyen and DeEtta Silvestro. Linda Vanek and Stephanie Williams were promoted to Signature Elite status. Congratulations!

Finally, I owe the biggest thanks to all the excellent artists who submitted their paintings for consideration. Works on exhibition were selected this year by renown artist, teacher and juror Soon Warren from the hundreds of works submitted by national and international artists. It is indeed inspiring to view the creative efforts of all these dedicated artists.

It is the mission of the Watercolor Art Society-Houston to promote watermedia art and to reward artists in our effort to promote the Houston art scene.

- Laura Mossman IWE Director.

-Soon Warren, *Juror*

## Second Place

"The gradation of colors and the subtle changes of value of light and dark in the expertly executed details of this bold, modern, beautiful piece.."

-Soon Warren, *Juror*

**Cindy Brabec-King**, *Unraveled*, Palisade, CO

## Odette Ruben Memorial Award

WAS-H is the very grateful recipient of a bequest from the estate of WAS-H long time Signature Elite member, Odette Ruben. Native to Houston and a skilled watercolor artist, in her life Odette received recognition and many awards throughout Texas and in the Texas Watercolor Society. The Odette Ruben Memorial Award of \$1000 is to be given each year through 2031.

"Gradation of dull colors and the use of value to convey a simple, somewhat ugly subject matter into something special with expert execution and important subtle pops of light and orange color.."

-Soon Warren, *Juror*

**Dean Mitchell**, *Reservation Relic*, Tampa, FL

# Jack Bowen Award

The Jack Bowen Foundation underwrites this prestigious award each year as a part of the International Watermedia Exhibition in memory of Mr. Bowen, who loved watercolors and continues to be a generous supporter of the Watercolor Art Society - Houston through his Foundation.

# Board of Director's Award

**Ellen Sudzina**, *4 On Duty*, McKeesport, PA

-Soon Warren, *Juror*

**Louise Lachance**, *Quietude*, St. Anicet, Quebec

"This is an invitation to come and sit with very calming colors in a composition that is not static using light and dark and repetition."

-Soon Warren, *Juror*
